SECURITY INFORMANT - CUBA

Anti-
Activity - 6-18-97

Reference is made to memo dated 1/16/64, from Mr. Warrall to Mr. Sullivan. [Liaison] was instructed to discreetly check with [CIA] and endeavor to obtain information concerning "Operation Judas," an operation which included a plan to assassinate Castro. The following was furnished to the Liaison Agent on 1/24/64, by [Austia Horn, CIA]

The cryptonym "Operation Judas" is unknown to CIA. The agency currently is not involved in any activity which includes plans to assassinate Castro. (S) (u)

[Horn] stated that Cuban exiles in the U.S. could have such plans and have seen fit not to inform CIA. [Horn] commented that [Horn] (u) Manolo Ray, who allegedly is connected with the operation, is well known to be a strong supporter of Hubert Hatas, who reportedly would become the head of the Cuban Government once Castro was disposed of. He also pointed out that Ray is closely associated with Eloy Gutierrez Masayo, another anti-Castro leader who allegedly would play an important part in the new government. (S) (u)

[Horn] advised that his agency would appreciate receiving from the Bureau any additional information which may come to our attention concerning "Operation Judas." (S) (u)
